NAWIC, an international not-for-profit corporation comprised of women employed in various construction-related fields, promotes the construction industry and supports the advancement of women within it. The Quad City Chapter has been actively promoting the construction industry for over 50 years with the help of many loyal sponsors like you.

It is time again to request your support in the sponsorship of our many endeavors including the publication of our monthly newsletter, various educational opportunities, and our website ([www.nawicqc.org](http://www.nawicqc.org)).

Once again we are offering three levels of support:

- **GOLD SPONSORS** will be given prominent listing in our monthly newsletter and on our website. In addition, you will receive two complimentary tickets to our annual Scholarship Dinner and Auction.
- **SILVER SPONSORS** will be given prominent listing in our monthly newsletter and on our website.
- **BRONZE SPONSORS** will be listed in our monthly newsletter and on our website.

Also, if your company does not currently have a member in our Chapter, we encourage you to identify a female employee who has an interest in joining and support her membership. The benefits are many, including networking, education, and developing relationships with others who have similar interests. Membership information can be found on our website.

We thank you for your kind attention to this request and look forward to your favorable response. Your past and continued support is very much appreciated.

Sincerely,

Judy Thomas
