PRESIDENT'S NOTES

Summer is beginning to bearing down on us just as we survived the spring Monsoon season. Some things are just unpredictable aren't they? Just like life has never come with instructions or guarantees. We have all been seeing or personally experiencing changes in our business, furloughs, layoffs, early retirements and general work shortages. These challenging times can create a lot stress and pressure on us. We need to stay positive and remember "this to shall pass". So I ask you all to take the time to stop and remember the positive things in our lives. We all have family & friends that support us and most of us have good health (for our age). So as Mary C. said to me the other day "I raise my glass in a toast" to all of the NAWIC members past and present.

I hope to see you all at this months Scott Co. landfill tour and dinner meeting.

Marilyn Burke-Knutsen
